ABOUT ME

Final-Year Msc Data Analytics student with a strong background in programming, mathematics and statistical analysis. Skilled in using R, Python, SQL and data visualization tools to extract insights and solve analytical problems. Quick learner and passionate about using data analytic tools . Seeking opportunities to apply my analytical and technical skills in a professional environment.

EDUCATION

2024 - 2026
Mahatma Gandhi University

MASTER OF SCIENCE IN DATA ANALYTICS
Final year student at Marthoma College ,Tiruvalla learning data analysis tools, statistical tools and computer programming.

2021-2024
Mahatma Gandhi University

BACHELOR OF SCIENCE IN MATHEMATICS
Completed with 8.18 CCPA from St. Xavier's College For Women, Aluva. Gained foundation in mathematical theories and logical reasoning. Developed analytical and problem solving skills through core subjects.

2019-2021

HIGHER SECONDARY

Completed higher secondary education from Govt.HSS Kongorpilly wilth 97%

TECHNICAL SKILLS

- Python
- SQL
- DBMS
- R programming
- Data Visualisation
- Hadoop
- Machine Learning
- Big Data

SOFT SKILLS

- Leadership Potential
- Time management
- Problem solving
- Adaptability
- Decision making

CERTIFICATIONS

- Artificial Intelligence Fundamentals By IBM
- Deloitte Data Analytics Job Simulation On Forage
